**Psalm 119:97**

### **Introduction**

- I. Peace can be hard to find when you are overwhelmed. However, God has given us a path to peace, and we must be willing to follow it. What if the path to peace is viewed as painful, what is your reaction? Take it or not. What criteria would you use to make your decision.
- II. The men and women who fill the pages of the of the Bible didn't sign up for their stories. Wandering through deserts, fighting giants. Standing up to kings, leaving their families and homes-these are not the things most humans request for. These saints did not choose their own road. Instead, they chose obedience to and faith in the One who had them on it.
- III. How can I know if I am on the right road? \_\_\_\_\_
