Open It

- I. Our last study brought us to the conclusion that God speaks to us through His Word, For 3 weeks we learned how to break-down passages in the bible to get a better understanding of what God is saying to us,

1. Observation: What do you see?

2, Interpretation: What is the text saying to me?

3, Application: How does the text apply to me?

- II. Tonight, we will begin a study of How God speaks to us through The Holy Spirit,

- III. First, the role of the Holy Spirit: **1. Regeneration: Rebirth:** This is where we get the concept of “born again”. **(John 3:3-6) 2. Indwelling (John 14:17) 3. Restraint (John 17:15) 4. Empowerment for service (Ephesians 3:16)** This role is also seen through out the Bible.
