- I.** So far, we have learned how to employ the **Law of intentionality, Awareness, and The Mirror**. We have discovered when we activate these laws growth becomes a reality. Remember, we are dealing with **personal** and **spiritual** growth. At the end of the day, it is a command that we grow **personally and spiritually**. **1 Peter 2:2-3: 2 Peter 3:18: 2 Corinthians 5:17: Colossians 2:6,7**. What is the message from God to His saints? **Personal and spiritual growth is a command.**

However, I believe you can also testify that I have grown in grace and in my personal life. **Any questions at this point?**

III. As it pertains to your growth, how many times have you come short?
How many times have you **pressed** your way through the pain of growth
and were **consistent** with your plan for growth.
